

Please Pray: Pray that Summit Church would be absolutely unified in Christ!

Sermon: The Mission: Part 2

Passages: Ephesians 4:1-16

Appetizer

What is the thing God wants most in your family?

What are the things that make what God wants most in your family easy to achieve?

What are the things that make what God wants most in your family difficult to achieve?

Main Course

Read the passage and ask for initial thoughts.

What does God want most in the church?

What keeps the body of Christ together?

Considering the context of the passage, what are the things that most disrupt what God wants from the body of Christ?

What causes you to be tossed to and fro...the things of this world? Why does this happen?

How does hearing the Truth of God help settle your heart...especially when you are being pushed around by the things of this world?

Coffee/Dessert

Share together the things that are currently pushing you around?

NOW, share Biblical Truths that can/will settle your hearts.

Pray for each other. Pray that each would be focussed on the purpose and power of Christ.
