

Please Pray: Continue to pray that your group and Summit Church would not be alarmed, but excited by what they see happening in our country and world.

Sermon: Do Not Be Alarmed Part 2.

Passage: 2 Thessalonians 2:13-17

Appetizer

Who do you count on, and why?

Who counts on you, and why?

Main Course

Read **2 Thessalonians 2:1-17**.

When the winds of challenge and change begin to blow, how do you respond?

In verse 15, Paul tells the Thessalonians to “**STAND FIRM**.” What makes it possible to “**stand firm**” when things get challenging?

Vs. 15: What does Paul tell us to hold onto? *It's important to understand what “traditions” Paul is talking about.* How are you doing at holding on?

What is the source of “eternal comfort?”

What does it feel like?

How have you experienced it?

Coffee/Dessert

In what areas of your life do you need to be comforted? ...areas where you are struggling to “**STAND FIRM?**”

Pray for each other.
