## Sermon: Real Peace for the Troubled Heart Part 2

---

**Passage: John 14:5-7**

---

### **Appetizer**

What would travel be like without Google, or a map?

What is the most unnerving part of travel?

### **Main Course**

Read the passage and ask for initial thoughts.

After Jesus shared verses 1-4, why would Thomas say what he said and ask what he asked in verse 5?

Read verse 6.

What is “the way”?

What is “the truth”?

What is “the life”?

How are we guilty of trying to determine each of these for ourselves? What happens when we try and determine each of these for ourselves?

Assuming you do want to be with Him, where is the Father and why do you want to get to Him?

What must we do in order to get to the Father?

### **Coffee/Dessert**

How can these verses bring you peace?

Pray for each other.
